

Colorado Families: Get a Bigger Refund at Tax Time!

If you make less than \$52,000 and have kids at home, don't miss out on these tax credits.

Also, learn about how the Affordable Care Act will affect you at tax time.

To learn more, dial 2-1-1 or visit www.piton.org/eitc.

TAX CREDITS FOR WORKING FAMILIES

Earned Income Tax Credit: The federal EITC lowers the amount of taxes you owe and can help you get as much as \$6,000 in refunds.

Child Tax Credit: This federal tax credit is worth up to \$1,000 for each qualifying child claimed on your tax return.

Child & Dependent Care Credit: If you pay for child day care, you could get BOTH the federal and state Child & Dependent Care Credit, which helps reduce the tax you owe and could mean a bigger refund. Even if you don't qualify for the federal credit, you could get the state credit. It is also available to families that pay for the care of adults who are unable to care for themselves.

Plus, there are additional tax credits available, and you could qualify for free tax help! To learn more, dial 2-1-1 or visit www.piton.org/eitc.

THE AFFORDABLE CARE ACT & TAX TIME

Because of new health care laws, reporting health coverage and reconciling health care tax credits is now part of filing your tax return.

Reporting Health Coverage: When filing your taxes, you need to indicate whether you had health coverage for all of 2014. If you and your family did not have coverage, you may have to pay a fine. If you don't have health insurance, you could qualify for free or low-cost coverage. For more information, visit www.connectforhealthco.com or call 1-855-PLANS-4YOU (1-855-752-6749).

Reconciling Tax Credits: If you received tax credits in 2014 to lower the cost of buying insurance, Connect for Health Colorado will send you a Form 1095-A, which will help you claim the credit when filing your taxes. If you don't receive a Form 1095-A by the end of January, contact Connect for Health Colorado, 1-855-PLANS-4YOU (1-855-752-6749).

Familias de Colorado: ¡Obtenga un mayor reembolso de impuestos!

Si gana menos de \$52,000 y sus hijos viven con usted, no se pierda estos créditos fiscales.

CRÉDITO FISCAL PARA FAMILIAS TRABAJADORAS

Crédito fiscal por ingresos laborales (EITC): el EITC federal reduce el importe de impuestos que debe pagar y puede ayudarlo a obtener hasta \$6,000 en reembolsos.

Crédito fiscal por menores: este crédito fiscal federal tiene un valor de hasta \$1,000 por cada hijo elegible que reclame en su declaración de impuestos.

Crédito por cuidado de menores y dependientes: si usted paga servicios de guardería, podría obtener el crédito federal por cuidado de menores y dependientes Y el crédito estatal por cuidado de menores y dependientes, lo cual ayuda a reducir los impuestos que debe y puede representar un reembolso más grande. Incluso si no califica para el crédito federal, puede obtener el crédito estatal. También está disponible para las familias que pagan por el cuidado de los adultos que no pueden cuidar de sí mismos.

Además, hay otros créditos fiscales disponibles, ¡y usted podría calificar para obtener ayuda gratuita con los impuestos! Para obtener más información, marque 2-1-1 o visite www.piton.org/eitc.

LA LEY DEL CUIDADO DE SALUD A BAJO PRECIO Y LA DECLARACIÓN DE IMPUESTOS

Debido a las nuevas leyes de atención médica, la presentación de información de cobertura médica y la conciliación de créditos fiscales de atención médica forman parte de la presentación de la declaración de impuestos.

Presentación de información sobre cobertura médica: en el momento de presentar la declaración de impuestos, debe indicar si contó con cobertura médica durante todo el año 2014. Si usted y su familia no cuentan con cobertura, usted podría tener que pagar una multa. Si no tiene seguro médico, podría calificar para obtener cobertura gratuita o de bajo costo. Para obtener más información, visite www.connectforhealthco.com o llame al 1-855-PLANS-4YOU (1-855-752-6749).

Conciliación de los créditos fiscales: si ha recibido créditos fiscales en 2014 para reducir el costo de compra de seguro, Connect for Health Colorado le enviará un formulario 1095-A, que le ayudará a reclamar el crédito en el momento de presentar su declaración de impuestos. Si a finales de enero no ha recibido un formulario 1095-A, comuníquese con Connect for Health Colorado llamando al 1-855-PLANS-4YOU (1-855-752-6749).
